**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am shocked and disappointed AT&T's overt efforts to undermine competition have been met with such little scrutiny. Let the consumer choose which ISP services they prefer; I see no benefit to fewer options besides lining the pockets of the few. Permitting chokeholds on small businesses is not consistent with public interest or consumer protection.
